

**KURASHIKI**

Kurashiki warmly welcomes all who visit. Within its historic streets and abundant natural surroundings, there is something for every kind of traveler. The city offers delicious cuisine made with fresh vegetables and fruits cultivated in the fertile soil around the SETOUCHI, with variations that will surely delight those who choose a plant-based lifestyle. “All Welcome” here in Kurashiki.

The establishments featured in this leaflet offer vegetarian and vegan-friendly menu options.

1 古民家バル 旧本藤邸  
**Kyu-hondo-tei**

A heritage house blending Japanese and Western interior styles transformed into a cozy Italian restaurant. The menu features homemade pasta, pizzas made with dough fermented in-house, and a wide selection of wines from the cellar. For vegan guests, the menu includes flavorful options such as vegetable-packed pizza with a rich tomato or basil sauce, and hearty pasta dishes featuring mushrooms and garlic—both healthy and delicious.

Lunch Course Only. Reservation required by 17:00, 2 days in advance.

## はれもけも 美観地区本店 Haremokemo

Haremokemo is a dessert shop that seamlessly blends into the scenic atmosphere of the Bikan Historical Area. Their creations are made for a modern lifestyle using local ingredients from Okayama prefecture. They focus on handmade creations that are all gluten-free with a wide variety of vegan options. The shop prioritizes both health and environmental friendliness while delivering exceptional taste. One standout item is their butter-free "butter sandwich," crafted with cacao butter. Enjoy the smooth, melt-in-your-mouth texture that unfolds the instant it hits your tongue.

## 廣榮堂 倉敷雄鶏店 Koeido Kurashiki Yukei Store

Koeido specializes in Kibi Dango, a signature souvenir from Okayama prefecture. The Kurashiki store is situated at the entrance to the Bikan Historical Area—known for its white-walled streets, rickshaws, and boats crossing the Kurashiki River. The building repurposed with traditional renovation techniques is a Meiji-era (1868-1912) townhouse embodying the theme "Museum of Time" blending seamlessly into the picturesque surroundings. In recent years, the soft and chewy texture of Kibi Dango has become immensely popular with international visitors. Vegan-friendly and Halal-certified options are also available, ensuring everyone can enjoy this Okayama tradition.

12

藤戸饅頭

## Fujito Manjyu

Fujito Manju is a traditional sweet dating back to the Genpei War (1180~1185). This classic Japanese sweet is made with a smooth red bean paste wrapped in a thin, steamed skin made from amazake (fermented rice drink) and wheat. Completely free of food additives and preservatives, allowing for the natural flavors of the ingredients to shine. The sweet is completely plant-based so vegan visitors can also experience a taste of Japanese history.
